MAULANA AZAD NATIONAL URDU UNIVERSITY

(A Central University established by an Act of Parliament in 1998)

(Accredited with 'A' Grade by NAAC)

School of Computer Science & Information Technology (SCS&IT)

Attendance of Departmental Research Committee (DRC) meeting held on 28/07/2016 at 10.30 am in Dean's Office of School of CS&IT. The following members were present:

| S.No. | Name | Designation | Signature |
|-------|---|-------------|-----------|
| 1. | Prof. Abdul Wahid Dean, School of CS & IT, Professor & Head Deptt. of CS&IT | Chairman | |
| 2. | Dr. Pradeep Kumar Associate Professor, Deptt. of CS & IT | Member | |
| 3. | Dr. Khaleel Ahmed Assistant Professor, Deptt. of CS&IT | Member | |
| 4. | Dr. Muqem Ahmed Assistant Professor, Deptt. of CS&IT | Member | |

At the outset, the Chairman welcomed to all the members of DRC. The agenda items were discussed thoroughly and resolved as follows:

- All research scholars admitted and enrolled in the department of CS&IT are required to make registration in the beginning of every new academic session. The registration form should clearly specify the current status of research scholars.
- Each research scholar need to submit four copies of their progress report (preferably a spiral binding copy duly signed by the respective supervisor) to the office of Dean SCS&IT by the end of every semester followed by a ppt presentation of 10-15 minute duration before DRC. A format for submission of six monthly progress report to be submitted by the Ph.D. student is available on University website.
- All research scholars admitted in first year are required to complete a course work as specified in prospectus and PhD ordinance comprising of the following subjects:
 - Research Methodology
 - Distributed Databases
 - Review & Current Research and Seminar
 - Tarseel-E-Urdu
- Syllabus of Review & Current Research and Seminar shall include the literature survey and the review of the work done earlier on the topic of research. The research scholar has to give two presentations based on the literature survey. The candidate shall submit the copies of presentation to the Department Research Committee (DRC) for evaluation purpose.

- e) Review & Current Research and Seminar course work shall comprise of an internal assessment of 30 marks and semester end examination of 70 marks conducted by the University. A candidate having obtained a minimum of 50 per cent of marks in aggregate of internal assessment and semester end examination shall be declared to have successfully qualified this course work.
- f) All research scholars enrolled in department of CS&IT are advised to opt any field/topic for Review & Current Research and Seminar course work from the following subjects listed below:
1. Software Engineering
 2. Web-Based Learning / e-Learning
 3. Cryptography and Network Security
 4. Distributed Computing
 5. Data Warehouse and Data Mining
 6. Computational Intelligence
 7. Semantic Web Applications
 8. Wireless Network

The meeting ended at 11:30 am with a vote of thanks to the Chair

A handwritten signature in blue ink, followed by the date '20/7/16' written in the same ink.

Chairman, DRC
School of Computer Science & IT
