1.

After a thorough scrutiny and in the light of the Regulations governing PhD & M.Phil admissions 2017, the committee resolved to approve that Dr. Shabana Kesar, Asst.Professor, DWE is eligible to be a Research Guide from the academic year 2019-20, as she fulfills all the requirements under the clause (10).

Mr. Amanullah, Mphil Scholar's request for extension of three months has been approved by the committee as the respective RAC held on 18<sup>th</sup> January, 2019, has accorded and justified his extension for three months, with no further financial assistance.

3.

The following PHD scholars have failed to appear before their respective 4th RACs, and committee is of the opinion that the said scholars may be issued a 'show cause notice' as to why their admissions should not be terminated.
