The main objective of this Tech Fest was to develop scientific and research mindset among the students

PLANTATION DRIVE

In accordance to the letter of UGC mandating one student, one tree **Department of CS&IT, took the initiative of one student one Tree** to enable the students to enhance their intellectual, social, personal and emotional growth., a **“PLANTATION DRIVE”** was organized in the department on **31st August 2019** to reduce environmental degradation and rising pollution.

“The university recently planted 500 trees and plantation of more trees have been planned for.

The campaign’s main aim was to direct student’s mind in constructive activities with the positive outcome through the facilitation of contributing to the society. **various saplings including Ashoka, Neem, and Kachnaar, Belpatra,** were planted

The students participated in the drive enthusiastically and helped each other in planting the saplings. All the saplings were planted in the Department of CS&IT and the University as well.

The students along with the teachers also took an oath to look after the planted saplings, plant more and more trees and encourage others to do the same. Some of the students also shared their experiences and shared their joy with others.
